Why attend our events

Border Security Week is the region's leading platform dedicated to strengthening border management, security, and trade facilitation across Africa. The event brings together immigration authorities, customs administrations, border security agencies, law enforcement, policymakers, technology providers, and international organizations to discuss emerging challenges and innovative solutions for securing borders while facilitating the legitimate movement of people and goods.

Target Audience: Immigration Authorities, Customs Administrations, Border Security Agencies, Law Enforcement, Policymakers, Technology Providers, and International Organizations

Objective: To enhance border security in Africa by promoting smart border control technologies and fostering collaboration among key stakeholders
